RED CLOUD NOT BAD, BOY!

THE CHEYENNE KID APPEALED TO LT. WILSON BUT THE YOUNG OFFICER HAD TO OBEY ASST. COMMISSIONER HALL'S ORDERS! HE WAS PLACED IN IRONS....

I CAPTURED RED CLOUD, HALL... YOU WERE GOING TO MURDER A HELPLESS MAN!

WHERE IS THE COMANCHE WAR CHIEF?

Never finished high school?

Now you can get a diploma without going back

You already know why it's important to have a high school education. You've probably learned the hard way that it can be pretty difficult to get the kind of job you want without one. No matter how hard you're willing to work.

What can you do about it?

Maybe you've thought of trying again to get a diploma. But you've suffered enough classroom "battle fatigue" to last you a lifetime. So you'd hate to travel that route again even if you could.

But what if we told you that there was now a much better way to get a high school education? An adult way, which gives you regular high school subjects and your choice of practical vocational subjects which help you get started in one of a number of profitable fields.

That's the unique Wayne School way. You do your reading and assignments in your spare time, in the relaxed atmosphere of your own home, and "turn in" your completed assignments by mail. You don't have to give up your present job. You don't have to study or travel to class at inconvenient times.

And you needn't be afraid of dropping out all over again, if you had trouble with

school before. Wayne's specially prepared lessons make even difficult subjects much easier to take. And Wayne grades your assignments in private, by mail. You're free from competitive classroom pressures. You stay relaxed, and your progress is much smoother.

If you're 17 or over and not now in school, send the coupon below to receive — by mail — Wayne's free booklet "How to finish High School at home." Wayne will also be glad to ask its local representative to contact you and answer any other questions you may have about finishing high school at home. No obligation.

(VAILUE)

Now, some of the most unusual creatures ever to frolic through the pages of a book are here, to show your child how much fun learning to read can be. Your little one will meet them in BRIGHT AND EARLY BOOKS, the remarkable books created by Dr. Seuss and his friends for 2 to 6 year-olds.

Take a look at the books, and you'll know why children fall in love with them. First, there are the wonderful wacky characters—"reading teachers" so entertaining they'll hold your child's attention from first page to last! Then there are the subjects... of vital interest to your little one, now, in the early years when he's intent on discovering everything there is to know about himself and his exciting world.

For example, his own ears and what they hear; tongue-tickling sounds he can make; his hands and what they do; and (with the help of some bike-riding bears) he can even learn to count and find out how numbers work.

The sparkling little words and catchy rhymes in BRIGHT AND EARLY BOOKS encourage a child to try reading. And the marvelous illustrations help, too. Youngsters can't resist them... and as they pore over them they begin to put the words and pictures together. Soon, with some help from Mom or Dad, a child may discover he's actually reading *on his own!*

From this happy start—
on to bigger things!

The four BRIGHT AND EARLY BOOKS shown here are the starter books in the BEGINNING READERS' PROGRAM. At the publisher's catalog price, they cost \$10.00. But, as an introduction, you may have all four for only \$1.95. They can get your little beginner off to a happy start in reading. And then it's an easy glide right into reading regular BEGINNER BOOKS... for they begin where BRIGHT AND EARLY BOOKS leave off!

As a member of the program, your child will receive a BEGINNER BOOK each month, and you will be billed only \$1.95 (instead of the retail price of \$2.50) plus delivery. (The postman will bring the package addressed to your little one, in his own name!) You may cancel membership at any time.

Enjoy this 10-day treat FREE!

Can these delightful "reading teachers" charm your child into reading? Before you decide, see the books for yourself... and let your child enjoy them. You and your little one must be delighted, or you may return the four introductory books within 10 days and owe nothing. To start the books coming your way, just fill out and mail the attached order form, today. J2B1
